FADDOUL EL-ACHKAR RAED

Full stack software engineer

PROFIL

Hello and welcome to my Curriculum Vitae. My name is Faddoul El-Achkar Raed, I was born the 11/10/1999 and I am Ivorian-Lebanese. I am hardworking and very curious. I will undoubtedly ask you a thousand and one questions, but it is to quench my thirst for learning. I intend to become a great developer!
Feel free to contact me for more information!
